RABBI YAAKOV MAYER

RABBI AZRIEL BROWN

*A Message from  
Rabbi Yaakov Mayer  
Rosh HaYeshiva*

It is with a tremendous level of *hakoras haTov* that we stand here at the **Eleventh Year Anniversary of Yeshiva Tiferes Yehuda Aryeh of Carteret**. *Hakoras haTov* to *Hakadosh Baruch Hu* for enabling us to reach this point in the Yeshiva's existence. *Hakoras haTov* for all those that were involved in making this dinner happen. And a special *Hakoras haTov* to the Honorees. Without them, this Dinner would still be a dream.

Two years ago, our guests of honor were my Parents. That was our inaugural dinner and every dinner since will be patterned after that success. Tonight, we recognize my Father *a"h* in another way. With the **Aron Kodesh Dedication**, his presence will be felt in the *Bais haMedrash* - always. May this be a source of *nechoma* for my Mother and the entire family.

We are recognizing tonight the Gruhin family and specifically Mark Gruhin for his dedication to the perpetuation of a Jewish presence here in Carteret. The chain of *yiddeshkeit* that has remained unbroken for over 100 years in Carteret is due to the commitment of people like the Gruhins.

Rabbi and Mrs. Brown *shlit"a* are our guests of honor tonight. All of the *limud haTorah* in Carteret is based on what we were *mikabel* from *Mori ViRebbe shlit"a*. He is a constant source of inspiration that pushes us to develop in our *torah viYiras shamayim*. We only hope that in some way we can fulfill the enormity of the task.

Dr. and Mrs. Lapidus have been from our most ardent supporters from the onset of the Yeshiva. We thank them for all of their support and encouragement.

Rabbi and Mrs. Yankelewitz, by accepting the Parents of the Year award, have once again, as they constantly do, shown that *chinuch of klal yisroel* is forefront in their life's ambition.

Eliyahu Unger is a true representative of the alumni. He has spent years growing in the Yeshiva and developing *kesharim* that will last forever. Together with his *eizer kinegdo*, it is an honor to have them as part of our **Yeshiva Gedola of Carteret family** which brings us immeasurable *nachas*.

Zev Yona Gelernter is this year's chairman. I cannot adequately express how much I cherish our relationship. We are so proud of him, together with his *eizer kinegdo*, as they step up to stand in the forefront of *kol davar shebikedusha*.

Without R' Yaakov Tzvi we would not be here tonight. His tireless dedication to the Yeshiva is only matched by his wife's. May they be bestowed with all of the *brachos* of *mikimei haTorah*.

With the recognition of all of the supporters, comes an awesome responsibility to continue to grow the **Yeshiva Gedola of Carteret** into the premier *mosad haTorah* that it is. May we be *zoche* to fulfill this mission.

RABBI AZRIEL BROWN

*A Message from  
Rabbi Azriel Brown  
Rosh HaYeshiva*

The רמב"ם in his הקדמה lists the links in the chain of the מסורה. At the end of the list he retraces the מסורה from רב אשי to משה רבינו. He ends, "ויהושע ממשה רבינו ומשה רבינו מפי הגבורה נמצא שכולם מה' אלקי ישראל" - all the חכמים ultimately were מקבל from the רבשי"ע.

When a תלמיד learns from a רבי he has to realize that he is a link in the chain that originates with the רבשי"ע himself. He is not just learning the תורה of his רבי.

We hope that we succeed in transmitting to our תלמידים the מסורה we were מקבל from our רביים and ultimately the awareness that we are learning and absorbing תורת ה'.

*A Message from  
Rabbi Yaakov T. Biderman  
Executive Director*

Thank you for joining us and supporting the Yeshiva!

At this year's dinner, we get to publicly acknowledge quite a few of the individuals who were involved from the very first moments of the Yeshiva's founding. To start, **Mr. Garson Gruhin's** dedication to the Carteret community led to starting the Yeshiva in Carteret, continuing its Jewish heritage. He pulled in his incredible son, **Mr. Mark I. Gruhin, Esq.**, to facilitate and oversee the "Yeshiva Gedola of Carteret" project. Over the following years, the Gruhins formed a beautiful bond with the Yeshiva, with Mark continuously dedicating time (and more) regularly to ensure that his father's vision of a Jewish community in Carteret is successful. Tonight, we have the opportunity to recognize all of this publicly, which will also be followed with a permanent mark for all to see in the main lobby of the CJCC building.

In a unique and special way, we also get to acknowledge the parents of both Roshei Yeshiva tonight. **Rav and Rebbitzin Moshe Brown** and **Mr. and Mrs. Izzy Mayer YBCL**"C have been incredible mentors to the Yeshiva, leaving their imprints since the very first day, and continuing throughout the many steps along the way. With Guests of Honor like these, and an Aron Kodesh Dedication for R' Izzy, the magnitude of this evening is extraordinary.

On another note, the dream of the Yeshiva was to include a Mesivta. Now, with the tireless work of the Rosh Mesivta, **Rav Avraham Yeshaya Roth**, it is finally becoming a reality. With over a minyan to start, we look forward to the first incoming class.

This dinner could not have been a success without the wonderful Honorees, **Rav and Rebbitzin Brown, Dr. and Mrs. Dani Lapidus, Rabbi and Mrs. Dovid Yakelewitz**, my dear friends **Eli Ungar** and **Zev Yona Gelernter U'mishpochtam** - thank you for your involvement. I need to publicly thank those behind the scenes, **Yitzchok Levine, Mrs. Michal Goldstein** of **MS Designs**, **Mrs. Esti Vago**, and my role model **Parents**. Most important of all, my dear eishes chayil, **Avigail** - who so devotedly agrees to be a single mother of our dear children, **Esther Nechama** and **Rachel Yehudis**, for the weeks preceding the dinner. She goes far beyond to allow me to be so dedicated to my Yeshiva.

RABBI YAAKOV MAYER

RABBI AZRIEL BROWN

*A Message from  
Mr. Zev Yona Gelernter  
Dinner Chairman*

Over the past six years it has been a privilege to form such a close connection to the Rabbeim and Yeshiva. In addition to having the *zechus* to maintain a years-long *chavrusa-shaft* with one of the Roshei Yeshiva, and continuing to learn together even after I left the yeshiva, I regularly turn to him for advice and guidance. I've gained so much from them and participating in the dinner gave me the opportunity to express my *hakaras hatov* and give just a little bit back.

The Roshei Yeshiva shlit"א, the Mashgiach shlit"א, and the rest of the Hanhala, spend their days and nights toiling for the success of their talmidim, for both their Torah and Yiras Shomayim, in and out of Yeshiva. Their dedication and love is felt in every aspect of the Yeshiva, embedding in each one of us, each talmid, a love for Torah and Avodas Hashem. Their outstanding Yedius Batorah and Ameilus Batorah, inspires us to strive to know more and grow more. They are true Role Models!

It's their full commitment - and that of their families - their integrity, and their sincerity, to myself and each one of the talmidim, that drives me to ask of you to join me in supporting this incredible Yeshiva, remaining involved and committed to ensuring it's continued success.

May Hakados Boruch Hu give the Yeshiva Siatta Deshmaya to continue in its Avodas Hakodesh and may the Roshei HaYeshiva and Hanhala continue to see Hatzlocho in all areas, leading their talmidim in the ways of their respective illustrious families.

I would like to take the opportunity to thank all of those who have contributed to the Yeshiva and those who have tirelessly worked for the success of this beautiful dinner.

Yeshiva Gedola of Carteret  
Carteret, New Jersey

Gentlemen:

It is indeed both a privilege and pleasure to join you in paying tribute this evening to Rabbi & Mrs. Moshe Brown and Rabbi & Mrs. Dovid Yankelewitz.

Torah Academy for Girls has maintained a close relationship with the Brown mishpacha for many years. Not only did we have the z'chus to educate their daughters, but their granddaughters are now enjoying the special TAG chinuch as well. As a prominent Rov, Rabbi Brown plays a pivotal role in our community. His love for learning and for his talmidim is evident in Yeshiva Derech Ayson, where he has been zocheh to be a stellar role model for his fortunate bochrim. Rebbetzin Leah, a true eizer k'negdo is always available to her mishpallelim and with her warmth and caring nature has earned the admiration and respect of all in the community.

Rabbi & Mrs. Dovid Yankelewitz are exemplary role models not only for their own children, but for all who know them. Rabbi Yankelewitz, a beloved Rebbe in Yeshiva Darchei Torah, and Mrs. Tova Yankelewitz who works in the Junior High School division of Torah Academy for Girls are no strangers to chinuch. But, it is their determination to provide the right chinuch for each of their children that has earned them the fitting title of Parents of the Year.

May these couples be zocheh to continue their Avodas Hakodesh in good health for many years to come while enjoying nachas not only from their own beautiful mishpachos, but from their talmidim as well.

What a z'chus for your yeshiva to have an Aron Kodosh dedicated in memory of Izzy Mayer z"l, a pillar of our community and a close friend to TAG and to the Weitman mishpacha. May his neshomah have an aliyah.

With every best wish for continued hatzlacha, to your worthy yeshiva.

## DEAR TOTTY AND MOMMY,

From the moment we decided to "take the plunge" and start Yeshiva Gedola of Carteret, you stood behind us - supporting, encouraging, guiding and advising. You are our role models of "doing all it takes" to learn תורה, be תורה and live תורה!

You have taught us and shown us what it means to live and do for others, and to prioritize – תורה and כלל ישראל come first!

Thank you for opening your home to us – whenever we need a place... and a מנין!

Special note to Mommy... when the Yeshiva started, you baked חלה for the בחורים - for many of the שבת and יום טוב meals, so they would have a special "taste of home"!

Your honor tonight is only a small token of appreciation we have for all you have done and continue to do for the Yeshiva.

May you continue to see only נחת from us, our children and all your children and תלמידים - עד ביאת גואל צדק במהרה - בימינו אמן!

לכבוד הנהלת הישיבה הקדושה דקרטרעט-ישיבה תפארת  
יהודה אריה

## הרה"ג הר"ר יעקב מאייער שליט"א הרה"ג הר"ר עזריאל ברוין שליט"א

לרגל הדינער השנתי הנערכת בקרוב.

שמו הטוב של הישיבה כבר יצא לעולם, ומפורסם כמקום תורה  
רציני - בית

שמגדלים ומרימים תלמידים לדרך התורה והיראה. וקברניטיה  
הדגולים כבר קנו להם שם טוב ומוניטין, כגדולים בתורה  
וכמחנכים מקצועיים, וכדמות ומופת לתלמידים מבקשים.

ובעמדם לייסד מתיבתא, בחכמה ובתבונה, מינו למגיד שיעור א'  
בנינו אהובינו, מחמד עינינו, תלמיד חכם, יר"ש, עדין הנפש, בעל  
מדות תרומיות, בעל חן ואהוב על הבריות, אשר למרות צעירותו,  
כבר נודע לתהלה כמחנך יעיל שכבר העמיד תלמידים, ובהשפעת  
אישיותו המורם, חודר רושם עמוק  
בלב תלמידיו ושומעי לקחו.

יה"ר מלפני אבינו שבשמים, שבישיבה הקדושה הנוסדת, יצליח  
ויעשה פרי, ושביחד עם הנהלת בית אולפנא רבא הנ"ל, יפוצו  
מעיינותיו חוצה, ומשם יצא הוראה, יעמידו תלמידים רבים  
והגונים, נאמנים לה' ולתורתו, וקול התורה משם לא תיפסק.  
ושיזכו כולם לרוב נחת דקדושה מצאצאיהם  
ותלמידיהם, לאויטו"ש.

How do we describe Zaidy & Savta in one short ad?

Long pages of written Chidushei Torah on Zaidy's desk? Savta's Tehilim stuffed with more bookmarks than we can count? Should we talk about the menus Savta makes, always trying out the new recipes even if they are a patchka? The chocolate chip container that accompanies every breakfast? We can't leave out Zaidy answering shaalos & constantly giving shiurim... Savta teaching kallahs and being there for the community... devotion to the klal each in their own way... there is so much to say...

What sums it all up is BALANCE... The ability to do great things without seeming unrelatable to the common people; speaking the language of all, connecting to others with what they need... Not being extreme or fanatic about the truths they hold so dear, while at the same time being people that quietly do such great things.
